

File / Slide List View

File List - Standard View

The Right Click Menu is shown with all of its Options.

Full Screen View of File List (F3)

The Right Click Menu is shown with all of its Options.

Slide List - Standard View

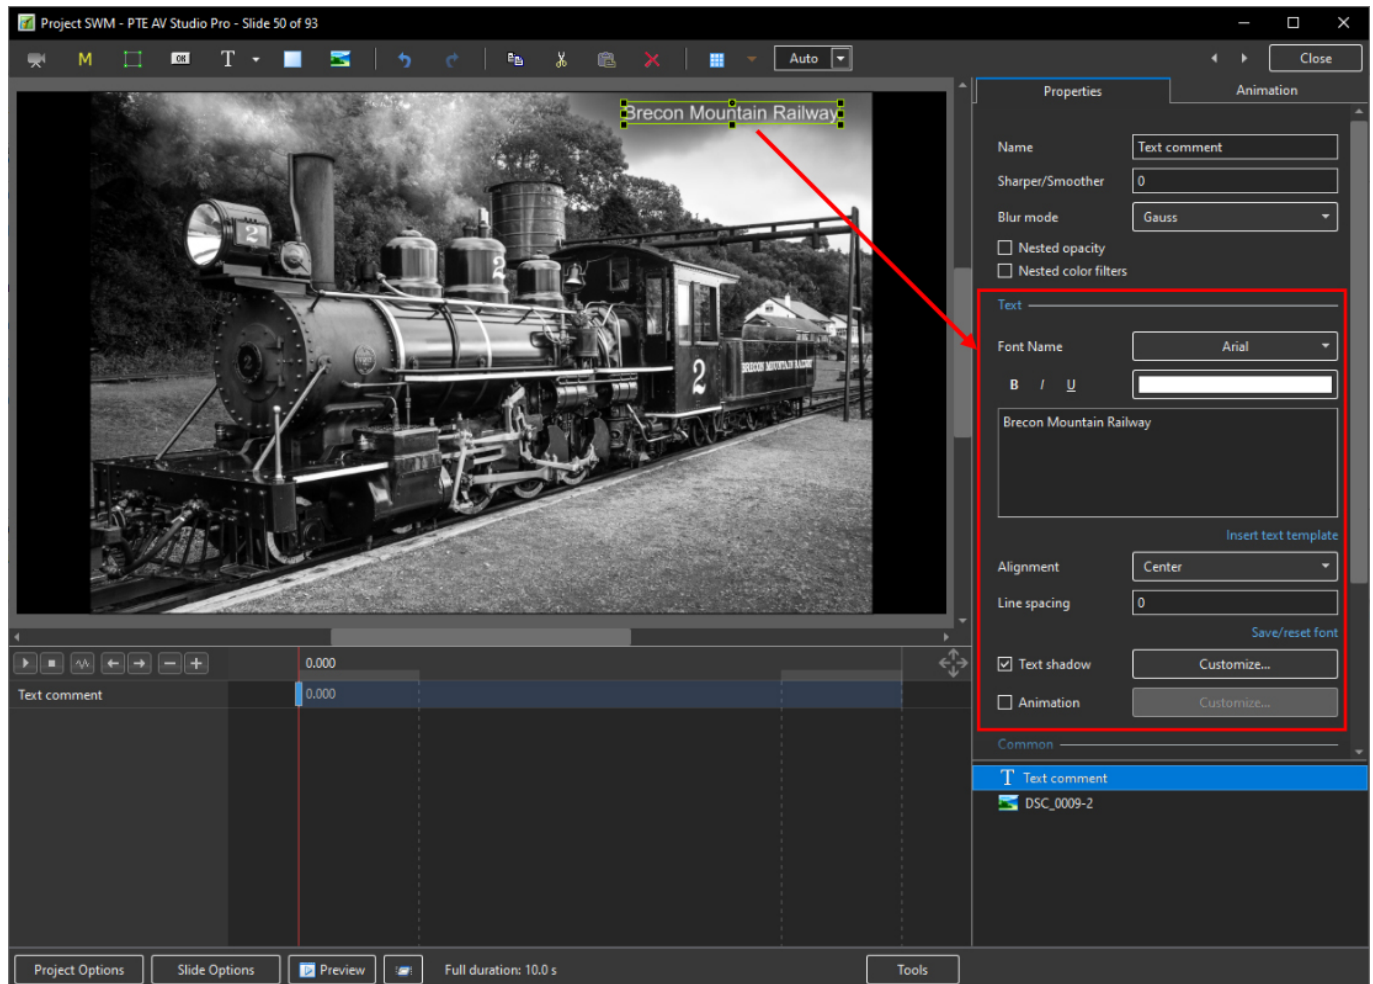

Comment (Text Comment)

- This can be a Text Comment or can be used to Insert a Text Template (Click on the down arrow)

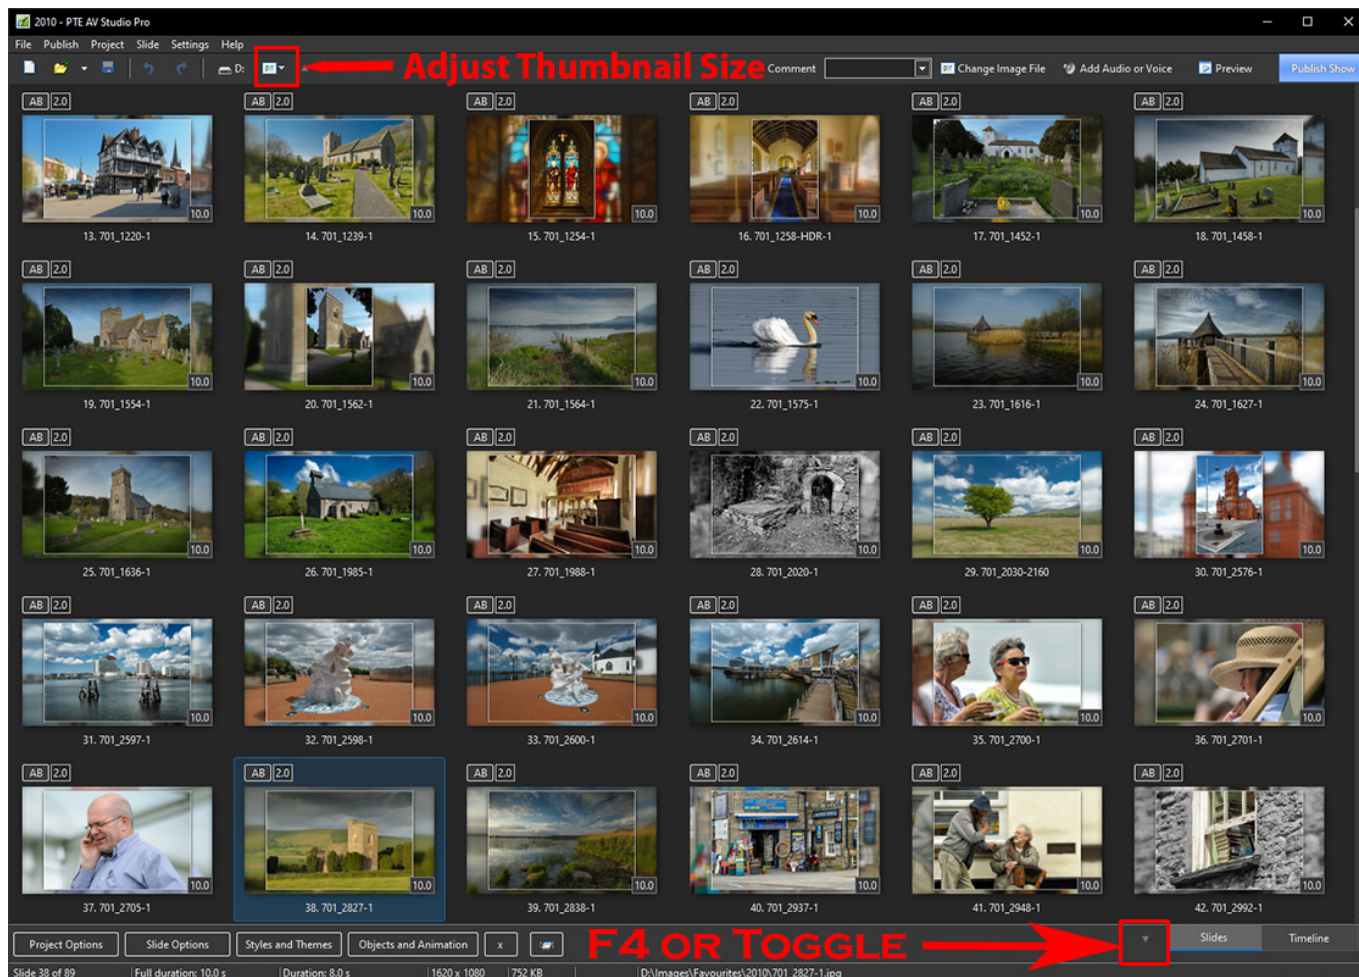

- The Properties of the Text Comment or Text Template can be edited in Objects and Animation/Properties
- The Size and Position of the Text Comment is edited by the Pan and Zoom controls in O&A/Animation or by using the Mouse to Drag and Drop and enlarge the Text Box

Full screen View of Slide List (F4)

- Repositioning of Slides (Moving Slides) is best done in this view
- Drag and Drop from original position to new position
- Multiple slides can be moved using either Contiguous or Non-Contiguous selections
- Adjust Thumbnail Size
