

Add a Mask

In Objects and Animation, a Mask can be added in several ways:

- Click on the “M” Icon in the Tool bar
- Right Click in a Blank Space and choose “Add” and then “Mask”

There are three options:

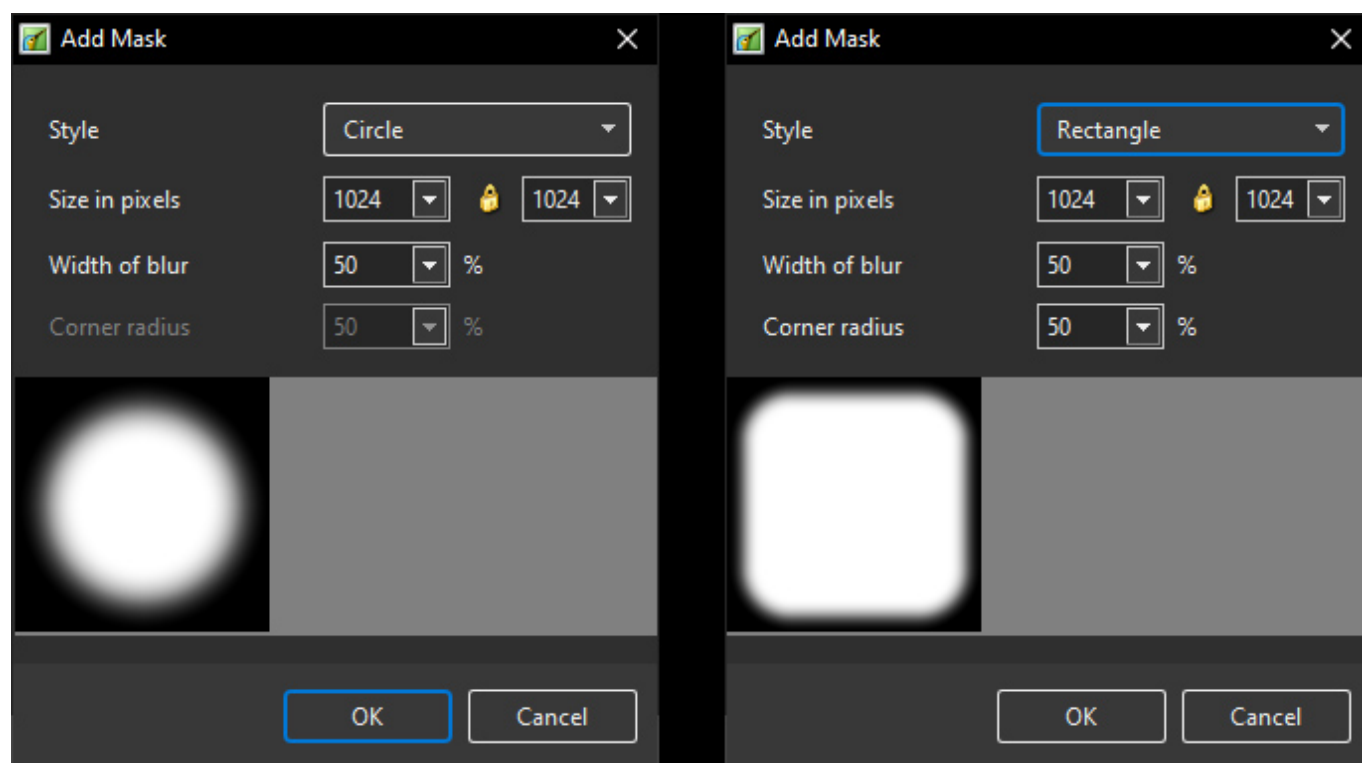

- Add a Mask Template
- Add an Image/Video Mask
- Add a Blank Mask

Whichever is chosen, remember that **“White reveals and Black Conceals”**

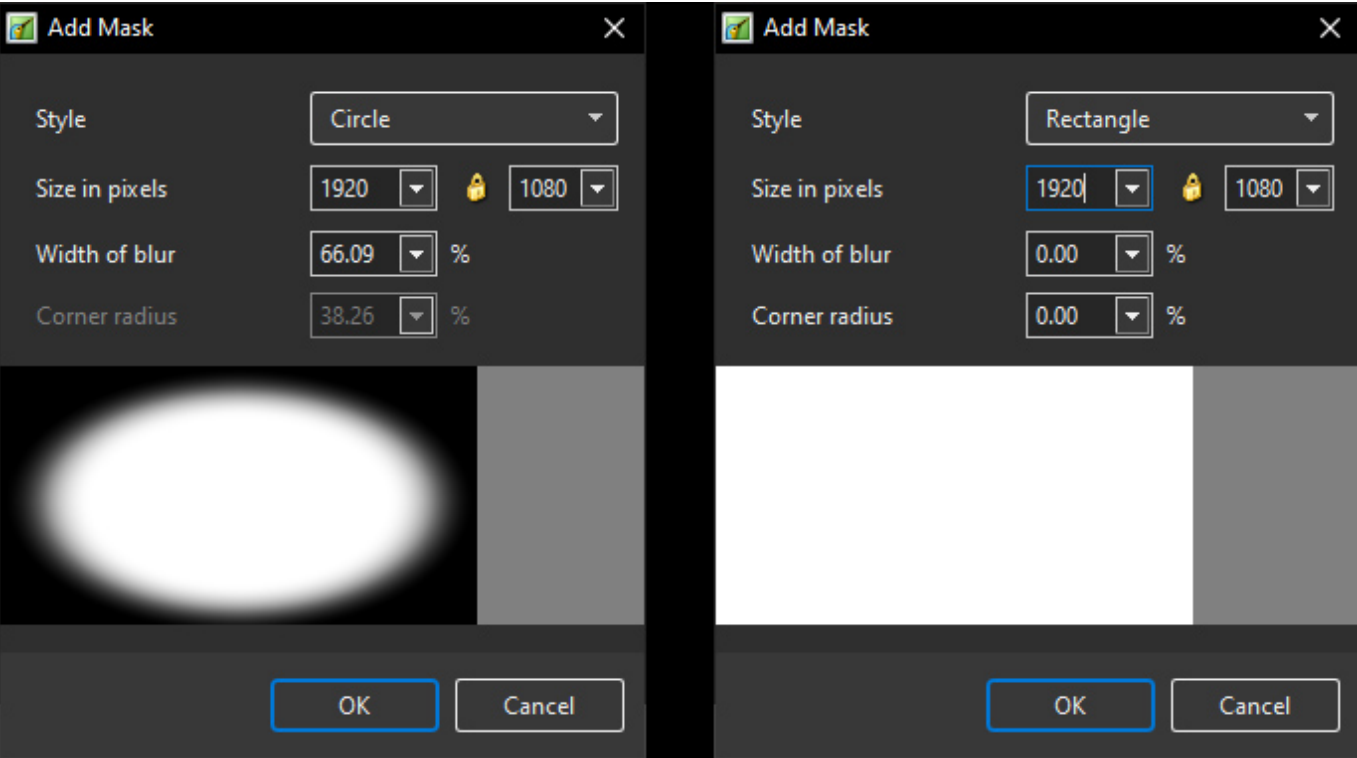

Mask Template

A further two options are offered:

- The default sizes are shown

- The “Size in Pixels”, “Width of Blur” and “Corner Radius” can be changed by using the slider or by direct input via keyboard
